

Resources for Environmental Justice Curriculum Development Science History Institute

Note: This list of resources was compiled by Christy Schneider to accompany her conversation with EJ Hub founding curators Andrew Niess and Davy Knittle, which took place on May 24th, 2021. A recording of their conversation is available in the “[community organizations](#)” section of the EJ Hub. This resource list focuses on materials and resources available at Science History Institute as well as in their digital archives.
