# RE-MEMBERING ANCIENT FUTURES

with Artists Edyka Chilomé +  
Vanessa Mercado-Taylor

*APPLY THROUGH  
NOVEMBER 8!*

**NOV  
10**

**3-5PM EST**  
remote engagement

*"Three Sisters" by Suzy Gonzáles*

This workshop introduces the genre of Indigenous futurism as a decolonizing technology. Participants will consider the power of art in recovering futures and healing our cultural ruptures with the land as displaced Indigenous peoples. Participation in this workshop is limited to Black/Indigenous/students of color who apply. We encourage others to attend through viewing the live stream.
